

18 Gram Two Hand Rev. & Fixed Spool Distance

Model T15618-3

This is the new 13ft 3-piece blank you've heard so much about.

FOR REV SPOOL:

GUIDE PLACEMENT FROM TIP:

Tip, 12", 27", 47", 69", 95"

GUIDE SIZE FROM TIP:

Suggested sizes: 10mm Tip-top ring, guides; 10, 12, 16, 20, 24

FOR FIXED SPOOL:

GUIDE PLACEMENT FROM TIP:

Tip, 13", 26 1/2", 45 3/4", 76", 89"

The spacing is similar, and will depend on height of spin guides for optimum spacing. Start by taping on the guides; tape on reel, and hold line at center of spool, and position line through to center of tip-top. Move location of guides so they center the guide.

GUIDE SIZE FROM TIP:

Suggested sizes: 20mm Tip-top ring, guides; 30, 40, 50, 60, 80
