

CHICAGO CASTING CLUB - ILL. State / ALL AMERICAN TOURNAMENT /
SEPTEMBER 13TH. & 14TH. / ICSF Dist. Events

This is to inform you that the Chicago Angling & Casting Club will host a dual tournament on THE SECOND WEEKEND OF SEPTEMBER, which is the 13TH. & 14TH. As in recent past because of distance field availability the distance events WILL BE CAST IN VALPARAISO, IN. AT THE IVY TECH CAMPUS which is just west of the Valpo Airport. Ivy Tech is located at 3100 Ivy Tech Drive, 46383

***** **TOURNAMENT DETAILS** *****

SATURDAY- Sept. 13th.- Distance events- Starting time 9:00 am.

***** **SPECIAL ICSF DISTANCE EVENT NOTICE** *****

This year WE WILL BE CASTING THE ICSF DISTANCE EVENTS AND "WILL FOLLOW" ALL ICSF RULES where possible.

This decision has been made to give our potential USA International casters and others a chance to actually compete while casting the ICSF events.

Don't let this worry you because there are minimal actual changes to our events such as the following.

1. Different Plugs - ICSF White Plastic plugs in both 7.5 & 18 gram.
2. 2-hand trace difference - MUST BE MONO & no smaller than .014
3. 1-Hand 7.5 - Line MUST BE MONO and no smaller than .007
4. The Skish Fly Accy. can be cast with your Bass Bug rod & line but a heavier line would be advisable and may work better for you. Skish Fly Accy. will be cast on grass but at ICSF water filled pan targets and from a 4'X4' raised platform.

You may want to check out the ICSF at <<http://castingsport-icsf.com/>>

IF ANYONE HAS A GOOD VIDEO OR DVD ACTION CAMERA
PLEASE BRING IT SO WE CAN FILM AND PRODUCE A GOOD
TRAINING DVD FOR EVERYONE.
