INVITATION

We have the pleasure of inviting you to the world championship in flycasting 2010.

The interest for competitions in flycasting with fishing equipment seems to be expanding on a global scale. Each year a large number of tournaments are being held worldwide,

We suspect many competing flycasters have been longing for a chance to fight for an official world championship title, approved by the sport movement. Now the chance has come!

THE REGION OF VALDRES

Are you planning to spend a few more days in Norway?

The Valdres-region offers a range of activities and a beautiful scenery. The national park of Jotunheimen, with its majestic mountains, are just a short trip away from Fagernes. Here you can find Norway's most popular hiking route.

Want to go fishing? The region has over 3000 lakes of all sizes, and a number of rivers, well suited for trout-fishing. Check out these articles in English:
