

# 2010 All American Tournament Results

## September 18<sup>th</sup>. & 19<sup>th</sup>. 2010

**LOCATION:** *The Distance events were held in Valparaiso, IN. and were hosted by the Valparaiso, Casting Club on the grounds of Valparaiso University.*

**WEATHER:** *For the distance events Mother nature dealt us a mixed hand with a variety of extremely high humidity & heavy air, clouds and on & off rain.*

*In the Plug Distance events we saw very little wind at the most and then after a three hour rain delay we were able to complete the Fly distance events with little wind but very pleasant to cool temps in the low 60's. As for Sunday and the Accuracy events which were held in Chicago the weather was SUPER with a bit more breeze but nothing that anyone could really lay blame to.*
